

The Faculty of Medicine of the University of Geneva is seeking to fill a position of:

**ASSISTANT PROFESSOR (tenure track)
IN HUMAN VACCINAL IMMUNOLOGY**

CHARGE : This full-time position will involve undergraduate and postgraduate teaching in immunology, as well as supervising Masters' and doctoral theses. The incumbent will undertake research in this area at the highest national and international levels and secure external funding. He/She will also take up administrative and organizational duties within the Department of the Fundamental Medicine Section to which he/she will be affiliated.

The incumbent is also expected to show the capacity to carry out a transversal mission through strong collaboration with partner services.

REQUIREMENTS:

Doctorate of Medicine (MD) or PhD, or MD-PhD, or equivalent degree.

Full postgraduate training in immunology/vaccinology and virology is an advantage.

Previous teaching and independent research experience.

Publications in leading international journals.

STARTING DATE: April 1st, 2019 or according to agreement.

Mandatory online registration before **October 31st, 2018**
